HIDDEN GEMS SERIES

DIAMOND 31

The Diamond 31 allows you the creative freedom to design your own home at the perfect address: your own. This single-storey house design gives your kids the room to grow, while you kick back and relax in the spacious, yet secluded master suite.

Three separate family areas – the large open plan living area, the activity room and the media room – this is enough for everyone to have space to do their own thing.

STANDARD FEATURES

- ◆ 4 Bedrooms
